

Angel Flight WEST

- ▷ 41 Years of Service
- ▷ An average of 5,000 missions flown each year
 - ▷ 100,000+ missions flown since 1983
 - ▷ 20,000+ lifetime passengers
- ▷ Nearly 3,000 volunteers, including volunteer pilots and Earth Angels

Transportation challenges create one of the most daunting barriers to healthcare—a barrier second only to cost. Through a network of volunteer pilots and airline partners, Angel Flight West arranges free air transportation for people in need.

MISSIONS FLOWN

While most flights are for patients traveling to and from non-emergency medical treatment, Angel Flight West also provides flights for veteran support programs, specialty summer camps, disaster response, medical supply transport, and other needs.

12 WESTERN STATES

Serving Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, Oregon, Utah, Washington, and Wyoming.

COMMERCIAL FLIGHTS

Alaska Airlines, and other commercial airline partners, provide nearly 1,000 tickets a year for passengers where transportation in a small private aircraft is not possible.

4-STAR

RATING ON CHARITY NAVIGATOR

AWARD-WINNING CHARITABLE AVIATION ORGANIZATION

Every mission we fly makes a difference in someone's life.

YOUR GIFT MATTERS

Angel Flight
WEST

Your donation is vital to supporting staff costs, technology, marketing and outreach, and infrastructure to help AFW propel our mission forward. Each flight is a product of the donated time and resources from our generous volunteer pilots and the coordination efforts from our team.

COMMUNITY OUTREACH AND EDUCATION

We connect to healthcare and social work professionals and patient groups to let them know about our services and send along brochures and other detailed information. Our outreach team members conduct in-service presentations, offer free webinars, exhibit at healthcare conferences, advertise on social media, and work to create digital partnerships with healthcare facilities.

VOLUNTEER RECRUITMENT AND ACTIVATION

Volunteers are the lifeblood of our organization. **To continuously expand our volunteer roster to fulfill missions, we take part in aviation events, host fly-ins and online webinars, advertise on social media and other digital platforms, and work with local media and aviation organizations.** Our volunteer services team guides new volunteers through orientation while focusing on volunteer recruitment, retention, and appreciation.

MISSION OPERATIONS

Our coordinators answer every inquiry and arrange every flight, including the 900+ commercial flights donated annually by Alaska Airlines and our airline partners. They are fluent in multiple “languages” – health care, aviation, and technology (as well as English and Spanish).

DEVELOPMENT AND FUNDRAISING

Our development team of grant writers, event planners, and fundraisers connect with the passion of our supporters, stewarding their gifts to ensure each one makes a life-changing difference to our passengers. They share stories and mission goals with foundations, individual donors, corporate partners, and event supporters, building relationships with those whose contributions make our programs possible.

Every dollar you give is matched 4X by our volunteer pilots and airline partners who donate the cost of flight.
