## AUDIT AND ASSURANCE

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Angel Flight West, Inc.

#### **Opinion**

We have audited the financial statements of Angel Flight West, Inc., which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Angel Flight West, Inc. as of December 31, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Angel Flight West, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Angel Flight West, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Directors Angel Flight West, Inc.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Angel Flight West, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Angel Flight West, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Report on Summarized Comparative Information**

We have previously audited Angel Flight West, Inc.'s December 31, 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated June 12, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

## NOTES TO FINANCIAL STATEMENTS December 31, 2023

#### **NOTE 1 - NATURE OF ORGANIZATION**

Angel Flight West, Inc. (AFW) is a nonprofit, volunteer-driven organization that arranges free, non-emergency air travel for children and adults with serious medical conditions and other compelling needs. As of December 31, 2023, AFW's network of 2,899 members, including 1,620 Command Pilots, throughout the thirteen western states donate their aircraft, piloting skills, and all flying costs to help families in need, enabling them to receive vital treatment that might otherwise be inaccessible because of financial, medical or geographic limitations.

When weather or other conditions keep the pilots on the ground, AFW does its best to arrange alternate transportation, such as flights donated by Alaska Airlines and other commercial airline partners, or by occasionally purchasing tickets through AFW's Passenger Assistance Fund. In 2023, AFW arranged 8,771 flights and flew 4,668 flights.

In addition to medical flights, AFW arranges transportation for other humanitarian purposes such as individuals and families escaping domestic violence; injured soldiers taking part in therapeutic programs offered by the Wounded Warrior Project and other veterans' organizations; and prospective parents hoping to adopt a child. AFW also serves as the "official airline" for a number of children's special needs camps attended by youngsters and teens from throughout the AFW service area.

#### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### (a) BASIS OF PRESENTATION

The financial statements of AFW have been prepared utilizing the accrual basis of accounting.

#### (b) NET ASSETS

Net assets, revenues, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

• **Net Assets Without Donor Restrictions.** Net assets available for use in general operations and not subject to donor-imposed restrictions. The Board of Directors (the Board) has designated, from net assets without donor restrictions, net assets for a board designated endowment and a short term reserve fund.

## NOTES TO FINANCIAL STATEMENTS December 31, 2023

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **(b) NET ASSETS** (continued)

Net Assets With Donor Restrictions. Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

#### (c) CASH

AFW maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. AFW has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk.

#### (d) INVESTMENTS

Investments in marketable securities with readily determinable fair market values and all investments in debt securities are reported at fair value. Securities are generally held in custodial investment accounts administered by financial institutions. Investment purchases and sales are accounted for on a trade-date basis. Interest income is recorded as earned on an accrual basis, and dividend income is recorded based upon the ex-dividend date. Realized gains and losses are calculated based upon the underlying cost of the securities traded. Unrealized gains and losses are included in investment return in the statement of activities and represent the change in the difference between the cost and fair value of investments held at the end of the fiscal year.

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain long-term investments, it is reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

## NOTES TO FINANCIAL STATEMENTS December 31, 2023

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (e) CONTRIBUTIONS RECEIVABLE

AFW recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest are received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. Funds received in advance of conditions being met are reflected as deferred revenue in the statement of financial position.

Contributions receivable are discounted to their present value when payments are expected in future periods exceeding one year. These discounts are recorded as reductions to contribution revenue and pledges receivable and are adjusted annually.

AFW evaluated the collectability of contributions receivable at December 31, 2023, and no allowance for uncollectible contributions receivable was considered necessary.

Contributions receivable at December 31, 2023 are expected to be collected as follows: within one year: \$752,415 and within two years: \$100,000.

### (f) BEQUESTS RECEIVABLE

AFW records and reports bequest gifts when declared valid by the probate court and/or the value of the amounts to be received is determinable.

### (g) PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost if purchased or at fair value at the date of donation if donated. Depreciation is provided over the estimated useful lives of the related assets on a straight-line basis as follows:

Furniture 10 Years
Leasehold Improvements 5 Years
Computers and Equipment 3-10 Years
Software 5 Years

Expenditures for maintenance and repairs are charged to operations as incurred while renewals and betterments are capitalized. Property and equipment are capitalized if the cost of an asset is greater than or equal to \$1,000 and the useful life is greater than one year.

## NOTES TO FINANCIAL STATEMENTS December 31, 2023

## NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### (h) LONG-LIVED ASSETS

AFW reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the book value of the assets may not be recoverable. An impairment loss is recognized when the sum of the undiscounted future cash flows is less than the carrying amount of the asset, in which case a writedown is recorded to reduce the related asset to its estimated fair value. No impairment losses were recognized on long-lived assets during the year ended December 31, 2023.

### (i) CONTRIBUTIONS IN-KIND

Contributions in-kind are recorded as contributions at their estimated fair value in the period received and expensed when utilized or sold. Contributions in-kind that consist of donated services are recognized at fair value if the services received (a) create or enhance long-lived assets, or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. In furtherance of its mission, AFW receives services from volunteer pilots and related flight expenses as well as donated airline tickets from Alaska Airlines and other commercial airline partners. Such contributions in-kind are used in AFW's programs.

#### (j) INCOME TAXES

Angel Flight West, Inc. is a California non-profit corporation organized in December 1983 and commenced operations in January 1984 under Internal Revenue Service Code Section 501(c)(3).

In accordance with the Financial Accounting Standards Board's (FASB's) Accounting Standards Codification (ASC) Topic No. 740, *Uncertainty in Income Taxes*, AFW recognizes the impact of tax positions in the financial statements if that position is more likely than not to be sustained on audit, based on the technical merits of the position. During the year ended December 31, 2023, AFW performed an evaluation of uncertain tax positions and did not note any matters that would require recognition in the financial statements or which might have an effect on its tax-exempt status.

#### (k) FUNCTIONAL ALLOCATION OF EXPENSES

Expenses that can be identified with a specific program or supporting service are charged directly to the related program or supporting service. Expenses that are associated with more than one program or supporting service are allocated based on proportional salary dollars.

## NOTES TO FINANCIAL STATEMENTS December 31, 2023

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### (I) USE OF ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### (m) COMPARATIVE TOTALS

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with AFW's financial statements for the year ended December 31, 2022 from which the summarized information was derived.

## (n) SUBSEQUENT EVENTS

AFW has evaluated events and transactions occurring subsequent to the statement of financial position date of December 31, 2023 for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through September 3, 2024, the date these financial statements were available to be issued. No such material events or transactions were noted to have occurred.

#### **NOTE 3 - INVESTMENTS**

AFW has implemented the accounting standard that defines fair value for those assets (and liabilities) that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

In general, fair values determined by Level 1 inputs utilize quoted prices (unadjusted) in active markets for identical assets (or liabilities). Fair values determined by Level 2 inputs utilize data points that are observable such as quoted prices, interest rates and yield curves. Fair values determined by Level 3 inputs are unobservable data points for the asset (or liability) and include situations where there is little, if any, market activity for the asset (or liability).

## NOTES TO FINANCIAL STATEMENTS December 31, 2023

#### **NOTE 3 - INVESTMENTS**(continued)

The following table presents information about AFW's assets that are measured at fair value on a recurring basis at December 31, 2023 and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

		Fair Value Measurements Using				
		Quoted Prices				
		in Active	Significant

#### **NOTE 10 - BOARD DESIGNATED ENDOWMENT**

The Board has established a Board designated reserve fund functioning as an endowment. The intention of the endowment is that the principal be preserved and inflation protected, to provide for the long-term viability and sustainability of the organization.

The primary long-term financial objective for this endowment is to preserve the real (inflation-adjusted) purchasing power of endowment assets and income after accounting for endowment spending, inflation and costs of portfolio management. The endowment is managed to optimize the long run total rate of return on invested assets, assuming a prudent level of risk.

Annual appropriations are dependent on the endowment reaching a certain level. Once that level has been reached, on an annual basis along with the budget presentation, the Board will review investment earnings for the prior twelve months and recommend a distribution of funds to support fundraising and program expansion of AFW. The distribution shall not exceed the lesser of 4% or the net gain on investments for the period under review.

The Board has the authority to expend endowment funds for special projects and initiatives it believes will facilitate the sustainability and/or growth of the mission of AFW.

#### **NOTE 11 - RELATED PARTY TRANSACTIONS**

AFW's Board of Directors has adopted a conflict of interest policy. The conflict of interest policy is intended to protect the interests of AFW and ensure that decisions affecting AFW are made objectively with full knowledge of the involvement, if any, of the Board and staff.

### **NOTE 12 - LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES**

The total financial assets held by AFW at December 31, 2023 and the amounts of those financial assets that could be made available for general expenditures within one year of the date of the statement of financial position are summarized in the following table:

Financial Assets at December 31, 2023: Cash and Cash Equivalents Investments Contributions Receivable	\$ 382,560 3,265,428 852,415
TOTAL FINANCIAL ASSETS AT DECEMBER 31, 2023	4,500,403
Less Amounts Not Available to Be Used within One Year, Due to: Donor-Imposed Restrictions: Funds Held with Purpose Restrictions Funds Held with Time Restrictions Board Designations: Board Designated Reserve Board Designated Fund Functioning as an Endowment	(749,023) (200,000) (285,870) (3,153,244)
FINANCIAL ASSETS AVAILABLE TO MEET GENERAL EXPENDITURES WITHIN ONE YEAR	\$ 112,266

AFW regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. As part of AFW's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. AFW considers contributions receivable restricted by time only and due to be collected within one year to be available for general expenditures. AFW also considers contributions received to support mission services and outreach within twelve months to be available for general expenditures.

AFW has Board designated net assets without donor restrictions that could be made available for current operations, if necessary.
